

Series 16-ED **1/16 DIN** **Universal Input** **Limit Controller**

- Thermocouple, RTD, Voltage, or Current Input
- 100 to 250 Vac Supply Voltage; 24 Vac/Vdc optional
- NEMA 4X (IP65) Dust and Splash-Proof Front Panel
- FM File No. J.I. 0B3A2.AF Class 3545

For ordering code and specifications, see page 18.

Series 18-ED & 19-ED **1/8 DIN** **Universal Input** **Limit Controller**

- Thermocouple, RTD, Voltage, or Current Input
- 100 to 250 Vac Supply Voltage; 24 Vac/Vdc optional
- NEMA 4X (IP65) Dust and Splash-Proof Front Panel
- FM File No. J.I. 0B3A2.AF Class 3545

For ordering code and specifications, see page 20.

Series 25-ED **1/4 DIN** **Universal Input** **Limit Controller**

- Thermocouple, RTD, Voltage, or Current Input
- 100 to 250 Vac Supply Voltage; 24 Vac/Vdc optional
- NEMA 4X (IP65) Dust and Splash-Proof Front Panel
- Menu-selectable auto-reset on power-up
- FM File No. J.I. 0B3A2.AF Class 3545

For ordering code and specifications, see page 22.

FM-APPROVED LIMIT CONTROLLERS

Series OTC25-L **1/4 DIN** **Limit Controller**

- Type J Thermocouple Input
- 100 to 250 Vac Supply Voltage
- NEMA 4X (IP65) Dust and Splash-Proof Front Panel
- FM File No. J.I. 0B3A2.AF Class 3545

Limit
Controllers

For ordering code and specifications, see page 24.

Series 4000 **1/4 DIN** **Limit Controller**

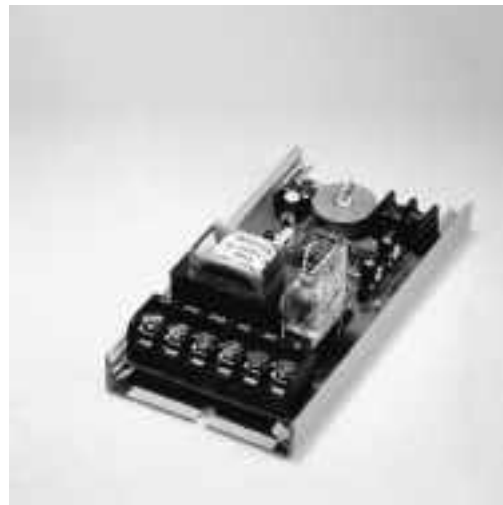

- Type J, K Thermocouple or Platinum RTD Input
- 120 to 240 Vac Supply Voltage
- Optional auto reset on power-up
- FM File No. J.I. 1Y7A2.AF Class 3545

For ordering code and specifications, see page 28.

Series 86 & 88 **Limit Controllers**

- Type J, K, T Thermocouple Input; Platinum RTD Input (86 only)
- 120 to 240 Vac Supply Voltage
- Track Mounting (Case mounting available on Series 86)
- Optional remote reset switch
- FM File No. J.I. 0W9A6.AF Class 3545

For ordering code and specifications, see pages 32 and 34.
